

The MLC Chair's Initiative

Sen. Carolyn McGinn
MLC Chair

Presenter – Lucas Bessire, Ph.D.

- Professor of Anthropology, University of Oklahoma
- Author of *Running Out: In Search of Water on the High Plains*

A large center pivot irrigation system is shown in a field during sunset. The system consists of a long metal wheel with a large tire, supported by a series of metal legs and a long pipe. The pipe is supported by a series of metal legs and a long pipe. The system is moving across a dark, tilled field, and the sun is setting in the background, creating a warm, golden glow. The sky is clear and blue.
