

**The Council of State Governments
Midwestern Radioactive Materials Transportation Committee**

Action Items from the Spring 2013 Committee Meeting
May 15, 2013; Buffalo, New York

States:

- By **May 24**, send [Lisa Janairo](#) comments on the draft fact sheets on the BRC/DOE Strategy and the states' role in transportation planning.
- Mark calendars for November 18-20, which are the tentative dates for the committee's next meeting. The meeting will last 1½ days and will take place in Kansas somewhere west of Kansas City.
- **By May 31**, send [Lisa](#) updates on the state sections of the regional *Planning Guide*.
- Let Lisa know as soon as possible if you are interested in attending any of the following events in 2013 (travel funding is available):
 - [TEPP 40-Hour Radiation Specialist class](#) (June 24-28; Harrisburg, PA).
 - U.S. Nuclear Infrastructure Council [Technical Workshop: 2021 – DOE's Proposed Pilot Interim Storage Project](#) (June 26-27; Arlington, VA).
 - [TEPP 40-Hour Radiation Specialist class](#) (August 12-16; Overland Park, KS).
 - [Joint Naval Nuclear Propulsion Program/State of Indiana accident exercise demonstration](#) (August 28; Fort Wayne, IN).
- Jane Beetem: Continue to represent the committee on the NTSF Planning Committee in FY14.
- Kelly Horn: Serve as the committee's lead on site-selection issues.

DOE:

- Jeff Williams will e-mail Lisa the contact information for the new AAAS fellow that will be joining the NFSTPP.

Staff:

- Prepare and distribute action items and summary.
- Talk to Bill Mackie about 1) the states' suggestion to identify all changes in the WIPP 8-week rolling schedule, and 2) the safe parking incidents involving Nebraska.
- Send WIPP tour information to Kevin Leuer and Carla Schreiber and send final invitations (registration closes May 29).
- Post update to the online *Planning Guide* (mid-June).
- Finalize fact sheets for inclusion in the briefing packet.
