- | | |
|------------------|---|
| 2:30 – 2:40 p.m. | Welcome and Introductions |
| 2:40 – 3:10 p.m. | Presentation #1: Integrating state policy on education and workforce development at the state education agency level; utilizing public-private partnerships
In the wake of Ohio’s recent restructuring of its state education agency into the Department of Education and Workforce, this presentation will explore how state policy on education and workforce development can become more integrated. The presentation will also highlight the role public-private partnerships can play to achieve this integration. |
| 3:10 – 3:40 p.m. | Presentation #2: Rethinking literacy education and analyzing the “science of reading” approach
A majority of Midwestern states have now passed legislation revamping their states’ literacy education curriculum in order to emphasize an instructional style based on phonics and phonemic awareness. This presentation will serve to provide an overview of this pedagogical approach, encompassed under a larger body of work known as the “science of reading”. |
| 3:40 – 4:00 p.m. | Q&A
Committee members and meeting participants will be able to pose questions to all of the afternoon presenters. |
| 4:00 – 4:30 p.m. | Committee Roundtable & Discussion Committee Business
Committee members and meeting participants will engage in a discussion on recent policy and legislative trends in the areas of education and workforce development. Please come prepared to share your perspective and thoughts with fellow lawmakers about the latest developments occurring in your home state or province. |

TUESDAY, JULY 23 | COMMITTEE-SPONSORED POLICY SESSION | *Room TBD*
