

A night sky with the Milky Way galaxy visible over a dark landscape. The galaxy is a bright, pinkish-purple band of stars and dust, stretching across the sky from the top left towards the center. The background is a deep blue and black sky filled with numerous stars. The foreground is a dark, silhouetted landscape of rolling hills and fields.

# LIGHTING UP SASKATCHEWAN

Charlene Gavel  
President and CEO

**SaskTel** 

# Saskatchewan

**1.3 Million**

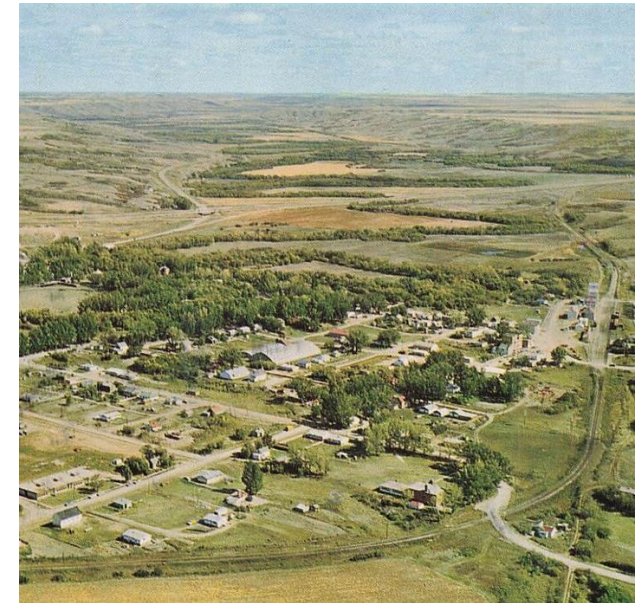

Total Population

**651,036 km<sup>2</sup>**

Total Area

**2 People per km<sup>2</sup>**

Population Density

# SaskTel

**\$1.4 Billion**

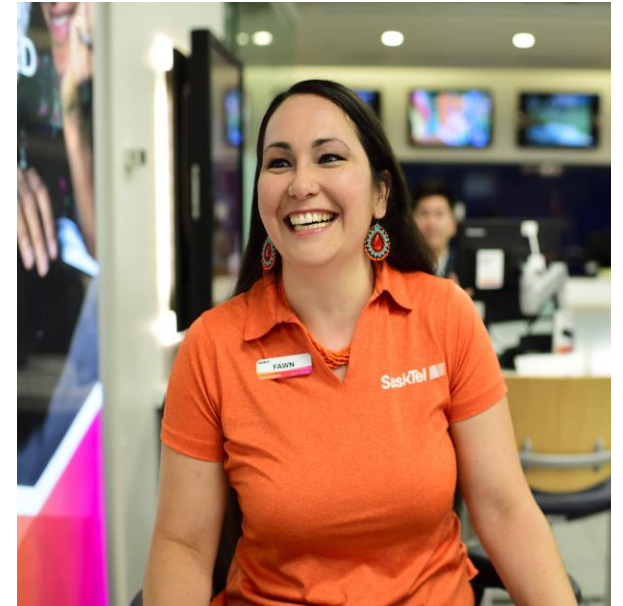

Annual Revenue

**1.4 Million**

Customer Connections

**Largest Network**

in Saskatchewan

# Broadband in Saskatchewan

## Fibre (infiNET)

118 communities connected

~77% of SK addresses with access

Nearly \$1 billion invested to date

## DSL

400+ communities connected
