CSG MIDWEST

What is Under the Dome?

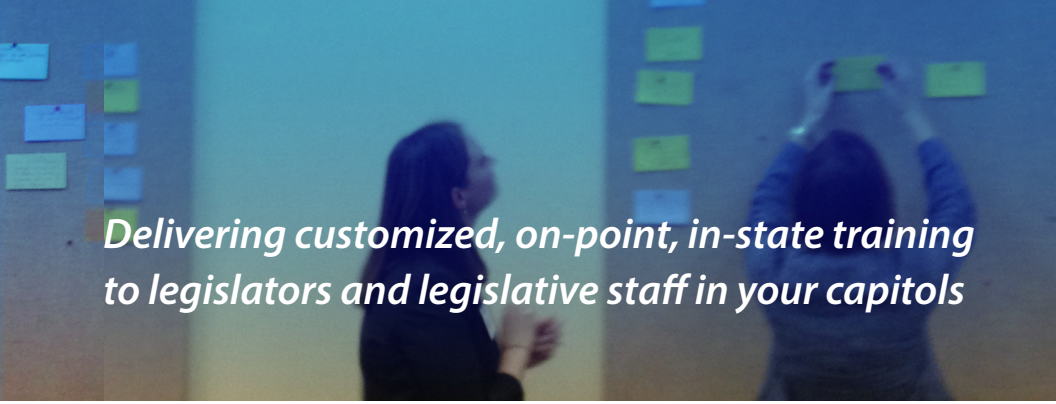

As part of its work on behalf of the Midwestern Legislative Conference (MLC), CSG Midwest regularly delivers customized, in-state training to legislators and legislative staff in their capitols. The Under Dome initiative reflects our commitment to ensure that you and your colleagues have all the information and skills needed to be successful.

Training Delivered to Your State

CSG Midwest understands the challenges that state legislators face. Whether it's a skill that members would like to further develop or a policy area about which legislators want to learn more, we can help bring resources and ideas to you in your state Capitol.
